KANSAS BULLETIN NO. KS360-14-04

SUBJECT: PER—All Terrain Vehicle Training

Purpose. To announce the participants for the subject training

Expiration Date. September 30, 2015

Over the past few years, there has been an increase in the number of Natural Resources Conservation Service (NRCS) employees who have access to an all-terrain vehicle (ATV) at their work locations and have not yet participated in an ATV Safety Training Course. Due to this increase, an ATV Safety Training Session has been scheduled to provide the required training to these employees.

The training session will take place on **Tuesday, May 13, 2014**, at the Quivira National Wildlife Refuge which is located approximately 30 miles west of Hutchinson, Kansas (refer to attached map for directions). The training session will begin promptly at 8:30 a.m. and will end sometime around 3 p.m.

The following employees have been selected to participate in this session:

James L. Ungerer, Soil Conservationist, NRCS, Scott City Field Office
Eric L. Wiens, Prescribed Burn Specialist, Kansas Forest Service, Scott City Field Office
Nathanael J. Williams, Soil Conservationist, NRCS, Oakley Field Office
Marcus L. Griffin, Soil Conservationist, NRCS, Hugoton Field Office
Brittney A. Anderson, Soil Conservationist, NRCS, Pratt Field Office
William D. Lavergne, Soil Conservationist, NRCS, Belleville Field Office
Ben D. Domann, Soil Conservation Technician, Division of Conservation, Oskaloosa Field Office
Jasmine A. Wilson, Soil Conservationist, NRCS, Garden City Field Office

****NOTE—Participants selected, but unable to attend, should contact Alan Boerger immediately.***

All participants **must** have the following equipment in order to participate in the training sessions:

ATV (with full fuel tank)*

Helmet*

Eye Protection (goggles or face shield)*, **Sunglasses and prescription glasses alone are not acceptable for this class.**

Gloves*

Long Pants*

Long Sleeve Shirt*
